PROFILE

I am a highly motivated and a dedicated individual with strong Multimedia and Web Designing skills. I have the ability to communicate and participate well in a team, and I am keen in enhancing my knowledge by learning new things. I also have the ability to achieve goals individually through hard work. The experience gained over the period helped me to start a small digital business on my own. I'm looking forward to build my career in Multimedia and Web Designing where I can build the skills I have gained.
